MOD WATCH

Mod Watch keeps a watchful eye on the North Carolina buildings you love. You can keep the NCMH community updated progress by checking the demolition/building permits each week.

Dead Mod Walking 2015: The old gal's still standing but we don't know for how long. Please help NCMH monitor when [Milton Small's](#) masterful [3515 Glenwood building](#), first photo, receives the demolition permit online [here](#). The site was approved last year for a three-story 72,963 square foot replacement, second photo.

This Milton Small masterpiece at **912 Williamson Drive**, which recently changed hands after 30+ years, is scheduled for renovation by **Hilary Farr** and the crew of Love It or List It. This could be very good or very very bad for one of North Carolina's best examples of mid-century Modernism. Let us know when they pull the construction permits, [here](#).
